RE: Revocation of countervailing duty order, in part, on certain pasta from Italy (C-475-819).

1. As a result of a notification from the petitioners, A. Zerega's Sons, Inc., American Italian Pasta Company, Dakota Growers Pasta Company, New World Pasta Company, Philadelphia Macaroni Company, and ST Specialty Foods, that they are no longer interested in ravioli and tortellini filled with cheese and/or vegetables subject to the countervailing duty order on certain pasta from Italy, Commerce has revoked the countervailing duty order in part with respect to ravioli and tortellini filled with cheese and/or vegetables and published the revocation in the Federal Register on 09/29/2014 (79 FR 58319).

2. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of ravioli and tortellini filled with cheese and/or vegetables entered, or withdrawn from warehouse, for consumption on or after 01/01/2012. All entries of the revoked product that were suspended on or after 01/01/2012 should be liquidated without regard to countervailing duties (i.e., release all bonds and refund all cash deposits).

3. Notice of the lifting of suspension of liquidation of entries of subject merchandise which are covered by paragraph 2 and entered, or withdrawn from warehouse, for consumption on or after 01/01/2012 occurred with the publication of the notice of revocation in the Federal Register (79 FR 58319, 09/29/2014).

4. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date payment of estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
